I personally extend our gratitude to my student volunteers, who spent many hour and days to shoulder my responsibilities, in organizing sports events in this campus. The service of Mr. R.Rajiv Gandhi, assistant and Mr.Surandar Assistant physical Director is most help my solder.

The success of the Department of Physical Education is the result of team work of the management, students, coaches, sportsperson and student volunteers who played a vital role behind the screen.

The nucleus of our success is the Management, the protons and neutrons are the Principal, Teaching Faculty and Non -Teaching Staff. Every unit moved with similar wave length of enthusiasm and interest. This enabled us for this huge success glory.

I was extended support from all directions. It is a kind of demonstration of a strong work culture of this campus.

I thank god for giving me an opportunity to work in this great institution of intellectuals who are committed to upgrade the quality of life of the students.

I am blessed to work with the awesome students of this great college who are highly disciplined and responsible.

Thank you very much, ladies and gentlemen.
