The success of the Department of Physical Education is the result of team work of the management, students, coaches, sportsperson and student volunteers who played a vital role behind the screen.

The nucleus of our success is the Management, the protons and neutrons are the Principal, Teaching Faculty and Non -Teaching Staff. Every unit moved with similar wave length of enthusiasm and interest. This enabled us for this huge success glory.

I was extended support from all directions. It is a kind of demonstration of a strong work culture of this campus.
