EVS Field trip

Event : EVS Field Trip
Venue : Mahabalipuram
Date : 12.02.2020
Organizers : Department of Computer Applications(B.C.A)

I wish to inform you that the department of Computer Applications (BCA) has conducted an EVS Field Trip on 12.02.2020 (Wednesday). Totally 110 students participated in the EVS trip accompanied with Head of the Department and 4 staff members. We are all started from the college at 8.30 AM and finished the trip by 7.30 PM.

First, we went to Muttukadu nature back water lake and observe the environment surrounded in the place. The students are observed the environment of back water of sea shore and collected the information about the boat house facilities and the fishermen's day-to-day activities. Secondly, we went to crocodile bank and taken the notes about the various crocodiles, snakes and other reptiles and their activities.

Finally, we went to mahabalipuram to see the ancient sculptures, five rada's, Krishna butter ball and sea shore temple. Students are eagerly visited all the places and observed the ancient sculptures, taken the information about the places. Through this Field trip, the students are benefited by acquiring the knowledge about the Environmental issues.
