## OUR INSTITUTION

Dwaraka Doss Goverdhan Doss Vaishnav College, with the sole purpose of imparting knowledge and value-based education saw its grand day on 30th June 1964. The college aimed at imparting value-based quality education and empowering the youth. Outstanding performance of the students in academics and extension activities has enabled the college to emerge as one of the premier institutions of higher learning. The curriculum is reviewed and updated periodically, in keeping with the changes in the diverse disciplines of arts, commerce, science and technology. An interdisciplinary, multi-disciplinary approach in designing the course work is adopted to ensure industry - academia collaboration. The college has entered into collaboration with many reputed institutions and organizations.

At the undergraduate level, the college offers 7 (Aided) & 26 (Self-Supporting) courses and at the Postgraduate level, the college offers 6 (Aided) & 12 (Self-Supporting) courses. The post graduate departments work for the career culmination of the students.

## OUR DEPARTMENT

The Post Graduate Department of Social Work from the very day of its inception in the year 1989 has been striving to achieve excellence in the field of Social Work and Human Resource Management. The department is geared towards providing a value added, market driven course in Social Work Education with Human Resource Management as Specialization.

The department aims at bridging the gap between theory and practice by equipping the students to meet the future demands. Special emphasis is paid to developing the right Attitude, Skill and Knowledge in the students, which has made the department a much sought after destination for Recruiters.

## OBJECTIVES

The Objectives of the Department are:

- To develop a comprehensive understanding, analysis, and evaluation of human experiences and societies in the past and in the contemporary world;
  - To understand, analyse, and evaluate individuals and families of varied cultural and social contexts;
  - To mould the students into social work practitioners who can apply knowledge, values, skills, and ethics in the prevention and intervention of social problems impacting individuals, families, groups, organizations and communities in a variety of cultural contexts;
  - To create HR Practitioners with Social Work values and ethics.

## MISSION

To create social work and managerial skills, both at the conceptual and at the practical level, leading to improved decision-making abilities and managerial competence while developing the overall personality of the students.

## VISION

To transform young minds into competent professionals with social and managerial acumen who would uphold humane and ethical values directed towards human rights and social justice.

## SELECTION PROCESS

The admission process to the course of Masters in Social Work (Human Resources) starts with filling an online application form in the month of April, followed by an Entrance Test, Group Discussion and Personal Interview.

## MESSAGE FROM SECRETARY

Greetings!

The Department of Social Work of Dwaraka Doss Goverdhan Doss Vaishnav College, Chennai has been consistent in recording a good performance in the placement of the MSW students. The students of the Department have been offered jobs with diverse profiles and they have always managed to exceed the expectations of the corporate world.

The Department has equipped the students with knowledge, attitude, skills, ethics and values which make them competent and dynamic to take up challenging HR positions in any Industry/ Sector. We believe that our students by their innovative, versatile and resilient nature will aspire to make a mark in their upcoming careers.

The curriculum of MSW is designed such that it strikes a balance between theory and practice. Therefore, the students get hands on experience in non-governmental organisations/ industries through their fieldwork/ internships which make them professionally competent. The curriculum and the pedagogy also enable the students to experience an overall development to meet the changing demands of the industry. The co-curricular and the extracurricular activities of the department contribute to the personality development of the students which help them grow beyond academic excellence and skilfully work with dedication and commitment.

We are proud that the Department of Social Work is synonymous with practical, industry-focussed education and produces skilled graduates. The fact that our alumni are working in the best companies pan India is a testament to the quality training and education provided to them. I invite the recruiters to be a part our placement process and recruit our students. The MSW batch of 2019 – 2021 will be torch bearers of your organization and society and I recommend them enthusiastically for your consideration.

**Shri. Ashok Kumar Mundhra**  
Secretary  
D G Vaishnav College

## MESSAGE FROM PRINCIPAL

Dwaraka Doss Goverdhan Doss Vaishnav College, Chennai is one of the premier institutions in India which offers the MSW Programme. The Department of Social Work is a shining beacon in the field of Social Work Education, particularly in the domain of Human Resource Management. The Department has been producing quality post graduates with managerial acumen and is therefore a much sought after destination of recruiters for more than 25 years.

With Social Work Education at an inflection point, the Department of Social Work is conscious of its responsibility in grooming the future social workers by following a judicious blend of theory and practice, using highly innovative teaching pedagogy. The department has the endeavour to produce thinkers and problem solvers who can work with systems, people and processes and engage in nation building.

The alumni of the Department have created a legacy in their chosen area of work in the corporates and are recognized for their excellence wherever they are. The alumni have carved a niche for themselves with great aplomb and have been strategic assets to the Department.

The department is headed to build its laurels further and hence is poised to strengthen its foundations with the vision of becoming a top ranked department. We understand that this success is possible only through joint endeavours with the recruiters who continue to place their confidence in the knowledge and skills of our social work post graduates. Hence, I invite the industry stalwarts to be a part of this exciting journey and support the fresh graduates!

## FOREWORD

Greetings from the Department of Social Work at D.G.Vaishnav College, Chennai. With pride, I welcome you to the placement season 2020 for the Post graduate students of Social work, specializing in Human Resource Management, in our esteemed educational Institution. We are privileged to have our Placement Brochure released and to announce the beginning of yet another Placement season. I request you to have an in-depth look at the placement brochure 2020 to have a snap shot on the Department and it's milestones.

We are striving for academic excellence by making our syllabi more industry relevant by reviewing it every year with industry experts and academic experts from organisations of high repute. Our students undergo a full-fledged Induction process, to internalize the rigors of both Social Work and HR Career. The curriculum is enriched by rural camp, six internships in diverse sectors, invited guest talks, participation in professional body meetings, student driven programmes in the community, forums, conferences, credit-based certificate programmes and so on. We have a vibrant alumni network who contribute to their alma mater in all possible ways, including mentoring and training of students for placement.

The year 2020-21 has been a year of learning for all especially, the batch of 2019-21. The pandemic has taught us life lessons of multifarious dimensions, to lead life in a practical way.

The Department has taken utmost care in training the students and is proud to place the profile of the students of 2019-20 batch, in front of you.

We wish to welcome all of you to our campus and we are looking forward to a fruitful placement season, like every year.

Thank you.  
Dr. B. SuluPriya  
Head, Department of Social Work

They will prove to be an asset to your company. I am confident that with each passing year, the bond between our department will grow stronger and deeper through our students.

## CAREER CULMINATION— FIRST YEAR

### CURRICULUM

The curriculum carries some of the foundational papers related to human behaviour, development, and human resource management. It engages students in core areas of Human Resource Management related to acquisition, performance management, labour relations, compensation, management and development of human resources like employee empowerment and engagement, CSR, work life balance and management. An optimal mix of theory and practice orientation is provided in this course. An equal weightage is given both to classroom work as well as field-based learning.

## SOCIAL WORK PROFESSION

The academic year starts with an introduction to the Social Work Profession, creating awareness about the changing trends in social work practice and education, various reform movements and organizations, which contribute to social change. It also builds vast knowledge on the values, code of ethics and attitudes that help in moulding the personal and professional development of an individual.

## METHODS OF SOCIAL WORK

This subject is an amalgamation of various methods used in social work to acquire knowledge, skills and techniques to work with individuals, groups and communities. With thrust on social action and administrative aspects of social work, this subject enables students to deal with individuals and communities in a professional way.

## HUMAN BEHAVIOUR

The name itself gives an insight that the subject deals with the dynamics of humans related to the growth, development and behaviour thereby sensitizing the students on emotional and social issues. This understanding of dynamics of human behaviour along with a holistic view of society serves as a platform that enables the students to serve individuals and organizations effectively.

## SOCIAL WORK RESEARCH

The objective of this subject is to understand the nature, importance of the scientific method and application of the principles of social work research. It develops the capacity to independently conceptualize a problem and execute research which is very helpful to complete their research project in the final year. It also develops technical competence to assess and analyse social problems, needs and services.

## SOCIAL WELFARE ADMINISTRATION & SOCIAL LEGISLATION

The main aspect of this paper is to understand the overall environment, structure and development of the organizations in the context of social work profession. The subject also gives an overview of the constitution, the fundamental rights and legal enactments that are made towards the progress of the country. This is added based on the view that the people manager needs to be equipped with the knowledge on various rights, legislation and policies while handling the underprivileged sections of the society.

## ENTREPRENEURSHIP

This subject will facilitate the learners to understand the role of entrepreneurs in the economy, acknowledge the traits and to know the environmental setup relating to establishing a new industry.

## OBSERVATION VISITS

The academic year begins with the observation visits to various social service agencies working with various target groups and also to a manufacturing industry. This helps the students to get a view of an organizational setup and sensitize them who are from various backgrounds to align themselves with the foundation of social work. Some of the organizations our students visited are:

- Dignity Foundation
- Jeevodaya
- ICWO

Udavum Karangal

Rane

## CONCURRENT FIELD WORK

To facilitate the students to understand and implement the concepts they have learned through various papers in a practical way, they are placed in different social service settings like hospitals, medical & psychiatric centres, homes, special schools, de-addiction centres, and community development centres over a period of 3 months. Awareness on health and hygiene, self-help group formation, community development programmes, and cultural programmes are some of the activities carried out by students. This helps them to sharpen their observation, analytical and reporting skills on functioning of their organizations. The organizations in which students were placed are:

- Udavum Karangal
- CHILD
- Project PUTHRI
- Marialaya
- HOPE Foundation
- Nesakkaram - SEEDS

- Bhumi
- MACT
- YRG Care
- ARUWE

## RURAL CAMP

The rural camp, Thulir 2019, which was organized by the Department of Social Work of DG Vaishnav College, provided an opportunity to the students to gain practical skills and exposure to the tribal areas. The students made a plan along with the faculty coordinators and made a pilot visit to Kotagiri and nearby villages in Nilgiris district. A tie-up with an NGO called the Nilgiris Adivasi Welfare Association (NAWA) was made which work for the welfare of Nilgiri tribal communities.

Objectives of the Rural Camp:

- To enable students to understand the socio-economic and cultural conditions of rural life;
- To assist the students to build personal and professional skill for the development of the students;
- To facilitate an exposure by working with underprivileged groups of children, women, youth group and senior citizens and also with oppressed group including Dalit, bonded labour and tribes;
- To help students develop suitable skills in the decision-making, planning, organizing, executing, coordinating, recording and report writing;

## SWASTI

The SWASTI- WE ARE STILL ALERT AND AWAKE, stands for Social Work Association for Students' Transformation and Innovation, a forum for the holistic development of students in all the spheres.

SWASTI, is a platform to explore, expand and express creative ideas and innovative thoughts. SWASTI where Swa means one's own, belonging to oneself, innate, inherent, natural and inborn. Asthi means present, what is existing and belonging, so, swasti means self-existence, the fact that one is alive and awake.

The Vision of SWASTI is to enhance strong and versatile participation of students to promote their development as efficient social work professionals. The Mission of SWASTI is commitment towards providing a platform for social work students to develop ethical values and integrity, thereby experiencing transformation and experimenting innovation.

SWASTI personifies the anecdote and conveys that it is eternal. The forum that is formed, led and run by young minds will be a platform for collaboration of ideas and implementing the same.

The activities carried out by the batch of 2019-2020 as part of SWASTI were:

- Dignity Generations - Intergenerational Mela
- #say\_bye\_to\_hunger, a hashtag challenge on account of World Charity Day
- Brush for a cause - wall painting to raise social awareness

## CAREER CAPSTONE – SECOND YEAR

In the second year the focus turns towards Human Resource Management by providing an insight of various subjects related to HR and labour legislations that equip the students to work more efficiently as Human Resource Managers.

### LABOUR LEGISLATIONS

The subject equips the students with the knowledge of statutory compliances. Here the students learn the basic facts concerning labour law and social security measures of the country pertaining to employees and their families.

### HUMAN RESOURCE MANAGEMENT

Human Resource Management focuses on the need to manage the Human Resource at work. HRM includes the knowledge on various management techniques that are used in the organisation for developing & managing the employees. This also provides students an orientation towards the continuous changes in relationship between human resource practice and automation.

### WORKPLACE COUNSELLING

It helps students to distinguish between counselling, case work and psychotherapy and to acquire the required knowledge in this regard. This also helps to sensitize the students to the attitudes required for the practice of counselling and various types of counselling that are practiced in social work.

### EMPLOYEE RELATIONS MANAGEMENT

This subject focuses on facilitating and to learn the ways and means of interaction by the company with the staff, the way it delivers the policy information and works to create a more productive workplace.

### HUMAN RESOURCE DEVELOPMENT

HRD helps to build a knowledge base and enables the students to develop the attitude required for the successful application of Human Resource Development in industries. It also updates the students with technological advancement in the field of HR.

## SUMMER INTERNSHIP

Summer internship is a kind of block internship where every student will go to various companies related to manufacturing. Students will engage in various activities of the HR department for a month. This helps them to gain knowledge on various functions of HR and know how an industry works in real time. This academic year, the Summer Internship was undertaken by the students in virtual mode.

Various companies visited by students are:

Brakes India Private Limited

## ASSOCIATION WITH PROFESSIONAL BODIES

The Department encourages students to take active part in professional bodies and attend their monthly meetings, conferences, workshops and seminars regularly. This enhances their knowledge, analytical ability and adaptability towards the latest developments in Human Resource. It opens the door to network with HR professionals.

Various forums that the students participate are:

- National Institute of Personnel Management (NIPM)
- National Human Resource Development (NHRD)
- Madras Management Association (MMA)
- Indian Society for Training and Development (ISTD)

## MANUFACTURING INTERNSHIP
