**Mr. E. Panneer Selvam, M.C.A., M.Phil., NET, SET.**

**Ms. G. Divya, M.C.A., NET.**

# ABOUT THE DEPARTMENT

The Department of Computer Applications (BCA) was started in the year 1998 with an aim of providing conducive ambience for learning Management & Career oriented subjects, keeping in view the changing trends in education. In the year 2009 the college has attained autonomous status which helped the department to introduce specialization subjects also come out with innovative papers to meet the current requirement of the industry.

The department has always recorded a very high success rate. We are also proud of our alumni. Most of them are well placed in reputed organizations and hold key positions. Institutional training is also a part of academics which student undergoes every year to get exposure of the corporate world. The department has been revising the syllabus regularly under the choice based system. Students every year take part in various cultural and extracurricular activities and win many prizes and bring laurels to the department and the college.
