### Objectives

- To record my diligent service effectively for the welfare of student community at large.
- To actively participate in knowledge dissemination and self upgradation as teaching – learning is a two way process.
- To actively participate and involve myself in providing the value added service in research contribution by developing many quality and innovative research scholars. Actively engage in various sponsored research projects as a youngster to the most prominent institution and create awareness among the students on various UGC and ICSSR funding agencies procedures for research as well Undergraduate and Post Graduate Education in near future.
