PLACEMENT BROCHURE 2021 - 2022

OUR INSTITUTION

Dwaraka Doss Goverdhan Doss Vaishnav College, with the sole purpose of imparting knowledge and value-based education, saw its grand day on 30th June 1964. The college aimed at imparting value-based quality education and empowering the youth. The outstanding performance of the students in academics and extension activities has enabled the college to emerge as one of the premier institutions of higher learning. The curriculum is reviewed and updated periodically, in keeping with the changes in the diverse disciplines of arts, commerce, science and technology. An interdisciplinary, multi-disciplinary approach in designing the course work is adopted to ensure industry-academia collaboration. The college has entered into collaboration with many reputed institutions and organizations.

At the undergraduate level, the college offers 7 (Aided) & 26 (Self-Supporting) courses and at the Postgraduate level, the college offers 6 (Aided) & 12 (Self-Supporting) courses. The postgraduate departments work for the career culmination of the students.

OUR DEPARTMENT

The Post Graduate Department of Social Work from the very day of its inception in the year 1989 has been striving to achieve excellence in the field of Social Work and Human Resource Management. The department is geared towards providing a value-added, market-driven course in Social Work Education with Human Resource Management as Specialization.

The department aims at bridging the gap between theory and practice by equipping the students to meet future demands. Special emphasis is paid to developing the right Attitude, Skill and Knowledge in the students, which has made the department a much sought-after destination for Recruiters.

OBJECTIVES

The Objectives of the Department are:

To develop a comprehensive understanding, analysis, and evaluation of human experiences and societies in the past and the contemporary world;

To understand, analyse, and evaluate individuals and families of varied cultural and social contexts;

To mould the students into social work practitioners who can apply knowledge, values, skills, and ethics in the prevention and intervention of social problems impacting individuals, families, groups, organizations and communities in a variety of cultural contexts.

To create HR Practitioners with Social Work values and ethics

MISSION

To create social work and managerial skills, both at the conceptual and at the practical level, leading to improved decision-making abilities and managerial competence while developing the overall personality of the students.

VISION

To transform young minds into competent professionals with social and managerial acumen who would uphold humane and ethical values directed towards human rights and social justice.

SELECTION PROCESS

The admission process to the course of Masters in Social Work (Human Resources) starts with filling an online application form in April, followed by an Entrance Test, Group Discussion and Personal Interview.

OUR INSTITUTION

Greetings!

The Department of Social Work of Dwaraka Doss Goverdhan Doss Vaishnav College, Chennai has been consistent in recording a good performance in the placement of the MSW students. The students of the Department have been offered jobs with diverse profiles and they have always managed to exceed the expectations of the corporate world.

The Department has equipped the students with knowledge, attitude, skills, ethics and values which make them competent and dynamic to take up challenging HR positions in any Industry/ Sector.

We believe that our students by their innovative, versatile and resilient nature will aspire to make a mark in their upcoming careers.

The curriculum of MSW is designed such that it strikes a balance between theory and practice. Therefore, the students hands-on experience in non-governmental organizations/ industries through their fieldwork/ internships make them professionally competent. The curriculum and the pedagogy also enable the students to experience an overall development to meet the changing demands of the industry. The co-curricular and extracurricular activities of the department contribute to the personality development of the students which help them grow beyond academic excellence and skillfully work with dedication and commitment.

We are proud that the Department of Social Work is synonymous with practical, industry-focused education and produces skilled graduates. The fact that our alumni are working in the best companies pan India is a testament to the quality training and education provided to them. I invite the recruiters to be a part of our placement process and recruit our students. The MSW batch of 2020 – 2022 will be torch bearers of your organization and society and I recommend them enthusiastically for your consideration.

Shri. Ashok Kumar Mundhra
Secretary

MESSAGE FROM PRINCIPAL

Dwaraka Doss Goverdhan Doss Vaishnav College, Chennai is one of the premier institutions in India which offers the MSW Programme. The Department of Social Work is a shining beacon in the field of Social Work Education, particularly in the domain of Human Resource Management. The Department has been producing quality postgraduates with managerial acumen and is, therefore, a much sought-after destination of recruiters for more than 25 years.

With Social Work Education at an inflexion point, the Department of Social Work is conscious of its responsibility in grooming the future social workers by following a judicious blend of theory and practice, using highly innovative teaching pedagogy. The department has the endeavour to produce thinkers and problem solvers who can work with systems, people and processes and engage in nation-building.

The alumni of the Department have created a legacy in their chosen area work in the corporates and are recognized for their excellence wherever they are. The alumni have carved a niche for themselves with great aplomb and have been strategic assets to the Department.

The department is headed to build its laurels further and hence is poised to strengthen its foundations with the vision of becoming a top-ranked department. We understand that this success is possible only through joint endeavours with the recruiters who continue to place their confidence in the knowledge and skills of our social work postgraduates. Hence, I invite the industry stalwarts to be a part of this exciting journey and support the fresh graduates!

Capt. Dr. S. Santhosh Baboo

FOREWORD

Greetings from the Department of Social Work at DDGD Vaishnav College, Chennai. With pride, I welcome you to the placement season 2022 for the Postgraduate students of Social work, specializing in Human Resource Management, in our esteemed educational Institution. We are privileged to have our Placement Brochure released and to announce the beginning of yet another Placement season. I request you to have an in-depth look at the placement brochure 2022 to have a snapshot of the Department and its milestones.

We are striving for academic excellence by making our syllabi more industry-relevant by reviewing them every year with industry experts and academic experts from organizations of high repute. Our students undergo a full-fledged Induction process, to internalize the rigours of both Social Work and HR Careers. The curriculum is enriched by rural camp, six internships in diverse sectors, guest talks, participation in professional body meetings, student-driven programmes in the community, forums, conferences, credit-based certificate programmes and so on. We have a vibrant alumni network who contribute to their alma mater in all possible ways, including mentoring and training of students for placement.

The year 2020-22 has been a year of learning for all especially, the batch of 2020-22. The pandemic has taught us life lessons of multifarious dimensions, to lead life practically.

The Department has taken utmost care in training the students and is proud to place the profile of the students of the 2020-22 batch, in front of you.

We wish to welcome all of you to our campus and we are looking forward to a fruitful placement season, like every year.

Thank you.
Dr. B. Sulupriya
Head, Department of Social Work

Dr. S. MADHUSUDANAN

Assistant Professor

The joy of learning multiplies in collaboration and I thoroughly cherished the journey with this batch. The future HR folks with immense potential will definitely stamp their mark in the organization. I wish them good luck and a happy learning in their career.

CAREER CULMINATION– FIRST YEAR

CURRICULUM

The curriculum carries some of the foundational papers related to human behaviour, development, and human resource management. It engages students in core areas of Human Resource Management related to the acquisition, performance management, labour relations, compensation, management and development of human resources like employee empowerment and engagement, CSR, work-life balance and management. An optimal mix of theory and practice orientation is provided in this course. An equal weightage is given both to classroom work as well as field-based learning.

SOCIAL WORK PROFESSION

The academic year starts with an introduction to the Social Work Profession, creating awareness about the changing trends in social work practice and education, various reform movements and organizations, which contribute to social change. It also builds vast knowledge on the values, code of ethics and attitudes that help in moulding the personal and professional development of an individual.

METHODS OF SOCIAL WORK

This subject is an amalgamation of various methods used in social work to acquire knowledge, skills and techniques to work with individuals, groups and communities. With the thrust on social action and administrative aspects of social work, this subject enables students to deal with individuals and communities professionally.

HUMAN BEHAVIOUR

The name itself gives an insight that the subject deals with the dynamics of humans related to the growth, development and behaviour thereby sensitizing the students on emotional and social issues. This understanding of the dynamics of human behaviour along with a holistic view of society serves as a platform that enables the students to serve individuals and organizations effectively.

SOCIAL WORK RESEARCH

The objective of this subject is to understand the nature, importance of the scientific method and the application of the principles of social work research. It develops the capacity to independently conceptualize a problem and execute research which is very helpful to complete their research project in the final year. It also develops technical competence to assess and analyse social problems, needs and services.

SOCIAL WELFARE ADMINISTRATION & SOCIAL LEGISLATION

The main aspect of this paper is to understand the overall environment, structure and development of the organizations in the context of the social work profession. The subject also gives an overview of the constitution, the fundamental rights and legal enactments that are made towards the progress of the country. This is added based on the view that the people manager needs to be equipped with the knowledge on various rights, legislation and policies while handling the underprivileged sections of the society.

ENTREPRENEURSHIP

This subject will facilitate the learners to understand the role of entrepreneurs in the economy, acknowledge the traits and know the environmental setup relating to establishing a new industry.

OBSERVATION VISITS

The academic year begins with observation visits to various social service agencies working with various target groups and also to the manufacturing industry. This helps the students to get a view of an organizational setup and sensitize them who are from various backgrounds to align themselves with the foundation of social work.

Some of the organizations our students visited are

•Dignity Foundation •Udhavum Karangal •ICWS

CONCURRENT FIELDWORK

To facilitate the students to understand and implement the concepts they have learned through various papers in a practical way, they are placed in different social service settings like hospitals, medical & psychiatric centres, homes, special schools, de-addiction centres, and community development centres over 3 months. Awareness of health and hygiene, self-help group formation, community development programmes, and cultural programmes are some of the activities carried out by students. This helps them to sharpen their observation, analytical and reporting skills on the functioning of their organizations. The organizations in which students were placed are:

Annai Anbalaya trust	Don Bosco Beatitudes Social Welfare Centre	Oasis
ICWO	Mudhir solai trust	ARK India service society
ICSW	The Tamil Nadu domestic workers welfare trust	The candles
Anew	Arunodhaya centre for street and working children	Prism trust
Dignity foundation	Jeeva Jyothi	Aruwe
Udavum Karangal	Youth4jobs	Puthri project outreach
Nesakkaram seeds	Centre for women's development and research	Tree foundation
LOYOLA (KHECHP)	Samarpana	YRG foundation
Action Aid India	Integrated development initiatives and alternatives foundation	Mylraj memorial charitable trust (uplift India)

RURAL CAMP

The rural camp, Vidhai 2021, which was organized by the Department of Social Work of DG Vaishnav College, provided an opportunity for students to gain practical skills and exposure to the rural areas. A tie-up with an NGO called the Golden Heart Foundation was made which work for the welfare of the rural community.

Objectives of the Rural Camp:

- To enable students to understand the socio-economic and cultural conditions of rural life;
- To assist the students to build personal and professional skills for the development of the students;
- To facilitate an exposure by working with underprivileged groups of children, women, youth groups and senior citizens and also with the oppressed group including Dalit, bonded labour and tribes;
- To help students develop suitable skills in the decision-making, planning, organizing, executing, coordinating, recording and report writing.

PRA TRAINING

SWASTI

The SWASTI- WE ARE STILL ALERT AND AWAKE, stands for Social Work Association for Students' Transformation and Innovation, a forum for the holistic development of students in all the spheres.

SWASTI, is a platform to explore, expand and express creative ideas and innovative thoughts. SWASTI where Swa means one's own, belonging to oneself, innate, inherent, natural and inborn. Asthi means present, what is existing and belonging, so, SWASTI means self-existence, the fact that one is alive and awake.

The Vision of SWASTI is to enhance the strong and versatile participation of students to promote their development as efficient social work professionals. The Mission of SWASTI is the commitment towards providing a platform for social work students to develop ethical values and integrity, thereby experiencing transformation and experimenting with innovation.

SWASTI personifies the anecdote and conveys that it is eternal. The forum that is formed, led and run by young minds will be a platform for collaboration of ideas and implementing the same.

The activities carried out by the batch of 2019-2020 as part of SWASTI were:
