Ms. C. Kiruthiga, MCA., M.Phil., NET

ABOUT THE DEPARTMENT

The Department of Computer Applications (BCA) was started in the year 1999 and the M. Sc. [IT] department was started in the year 2001 with an aim of providing conducive ambience for learning Computer technology - Career oriented subjects, keeping in view the changing trends in education & IT industry. In the year 2009 the college has attained autonomous status which helped the department to introduce specialization subjects also came out with innovative papers to meet the current requirement of the industry.

The department has always recorded a very high passing and placement success rate. We are also proud of our alumni. Most of them are well placed in reputed organizations and hold key positions. Institutional training is also a part of academics for which student undergoes every year to get exposure of the IT industry. The department has been updating the syllabus regularly under the choice based credit system. Students every year take part in various cultural and extracurricular activities and win many prizes and bring laurels to the department and the college.

DWARAKA DOSS GOVERDHAN DOSS VAISHNAV COLLEGE

(Autonomous)

Re-accredited with A++ by NAAC (3rd Cycle)

College with Potential for Excellence

Linguistic Minority Institution / Affiliated to the University of Madras.
