## SPORTS FOR ALL STUDENTS

Our playfields were extensively utilized by our students of both morning and evening shifts under the direct guidance of the Director of Physical Education and coaches. College team members were given quality training for three months under eminent coaches before the season began. In order to give competitive experience and to develop friendship among students, we organized Inter Departmental tournaments with whole hearted support from the heads of departments and teaching staffs. The disciplined support of student leaders of each department has multiplied the participation of students. There was a perfect cohesion and coordination between students, leaders and department of physical education which gave a professional touch to these sports activities. About 2,100 men students 800 women students have participated in these events.
