Mr.Dhanush N	Founder, Interain AI	dankiddo05@gmail.com	9600001654

Event Report:

The Deeksharambh Student Induction Programme 2025 commenced with an

inaugural session.

Ms. Kanmani Thivya Mahesh, Founder of Arise, Shine Counselling Services. She delivered an engaging talk on the role of personality development in effective teamwork. Through interactive group activities and team-based games, students actively participated and gained valuable insights into collaboration and interpersonal skills.

An **activity-based session** organized by the **Department of Criminology and Criminal Justice Science** further energized the freshers. The session featured outdoor games such as dodgeball, relay races, hurdles, ring games, and tug of war, designed to foster team spirit, enthusiasm, and peer bonding.

Mr. Dhanush N, Founder & CEO of Interain AI, delivered an inspiring expert talk on *“Preparing for an AI-Powered Future.”* He explained how AI tools like ChatGPT can support learning, research, and skill development, helping students boost their academic and career growth. He also shared insights on leveraging platforms like LinkedIn to connect with professional opportunities in a technology-driven world.

Dr. Akileswari, Assistant Professor at D.G. Vaishnav College, conducted an interactive session to improve students’ communication and confidence. Activities included peer interaction and an image-identification game using PowerPoint, designed to enhance observation and real-world perception skills.

Dr. A. Vijiyalakshmi, Head of the Department of Data Science, introduced the freshers to the wide range of student clubs and co-curricular activities available on campus. She emphasized how active participation helps develop leadership, creativity, and collaborative skills beyond the classroom.

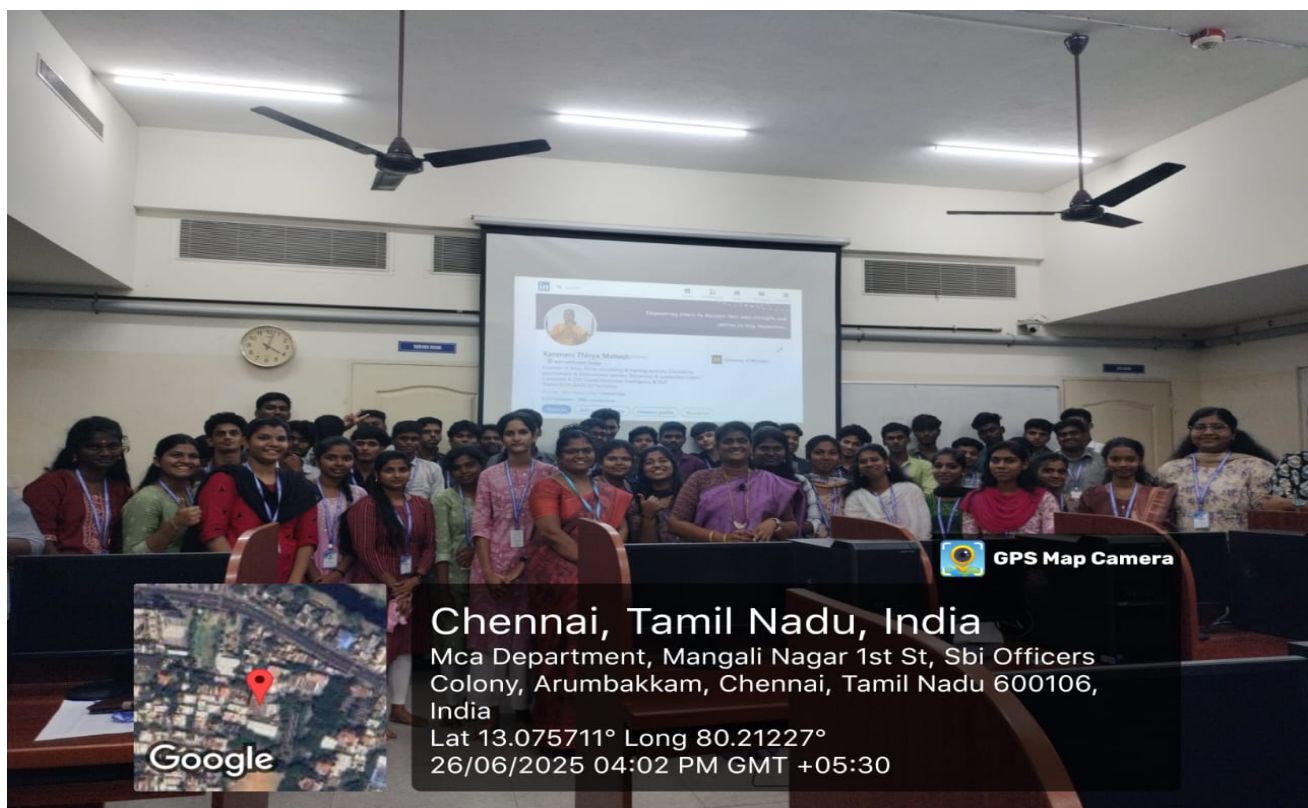

Dr. P. Arularasan, Assistant Professor in the Department of Physics, guided students on effective goal setting. He elaborated on SMART goals and the importance of setting challenging “hard goals” to drive personal growth. He also encouraged students to prepare for exams positively and manage academic stress constructively.

Together, these sessions offered the students a well-rounded induction experience, equipping them with practical knowledge, motivation, and a sense of belonging as they begin their journey in the institution.

Outcome of Event:

1. Enhanced Interpersonal and Teamwork Skills
2. Awareness of Emerging Technologies and Career Preparedness
3. Boosted Confidence, Self-Awareness, and Goal Orientation
