The Department offers Undergraduate (B.Com) and Postgraduate (M.Com) programmes with a strong emphasis on quality education, outcome-based learning, ethical values, and professional competence, in accordance with NAAC, AQAR, and IQAC quality benchmarks. Celebrating five decades of academic excellence, the Department marked its Golden Jubilee in 2019, an occasion graced by Banwarilal Purohit, Hon'ble Governor of Tamil Nadu, as the Chief Guest.

Dedicated to holistic student development, the Department actively promotes co-curricular, skill-oriented, and leadership-building initiatives that enhance critical thinking, analytical ability, creativity, communication, collaboration, and problem-solving skills, thereby strengthening employability, entrepreneurship, and lifelong learning capabilities. With a strong legacy of producing successful entrepreneurs, professionals, academicians, and leaders across diverse sectors, the Department has established itself as a centre of excellence in commerce education. Further enriching student engagement and leadership development, Prathibha Sangam, the official Student Association of the Postgraduate Department of Commerce (Shift II), serves as a dynamic platform that nurtures student talent, leadership, organisational skills, innovation, and participative learning through academic, cultural, and extension activities, contributing to the overall personality development of students.
