REPORT

INAUGURATION-

A three day faculty orientation programme for the newly recruited faculties under aided stream was organized by the IQAC of DG Vaishnav College. The event kick-started by an inaugural session on 11-02-2021 at 10 am with rendition of college prayer.

Dr. T.S. Prema, the Coordinator of IQAC instigated the session by welcoming the dignitaries in the Dias and also the august audience assembled for the session. The inaugural address was delivered by The Principal, Capt. Dr. S. Santhosh Baboo, where he emphasized the need for providing quality education to the student fraternity. The Principal also ensured his support as the head of the institution in the form of infrastructure, training for the teachers, guidance for research, ICT facilities and a competitive working atmosphere for the development of teachers, both as an academician and as a contributor for the progress of the institution.

Dr. Augustine Arul Prasad, IQAC Co-coordinator, briefed on the success journey of DG Vaishnav College as a pioneer in the field of education and this was followed by an AV presentation titled "DGVC-At a Glance". The

session then concluded with vote of acknowledgment by the IQAC Co-coordinator.

SESSION I

The first session of the orientation was handled by Dr.M.G.Sethuraman, on the topic “Autonomy and Accreditation process” for higher education institutions. The session began with the history and establishment of statutory bodies for proper planning and co-ordinated development of quality education system throughout the country of India. The speaker also focused on the recommendations of National Education Policy, making way for large-scale transformational reforms including restructuring the higher education system. He also insisted that the need of the hour is to ensure maximum utilisation of academic freedom given for autonomous institutions and thereby attain highest grading in the accreditation process.

SESSION II

The resource person for Session II was Dr.Latha Kumari. She being the IQAC Co-ordinator in one of the leading educational institution in the city, delivered her talk on “Faculties as stakeholders of NAAC”. The speaker enlightened the audience that each and every small step towards contributing towards the academic progress of the institution will lead to wonders in terms of NAAC grading. Moreover this process gives an opportunity for the faculties to realize their achievements, analyse the internal work challenges and get motivated to work for continuous progress towards quality education. She also clarified the pointers for each of the seven criteria for NAAC accreditation and provided with tips and suggestions for scoring maximum points under each head. According to Dr. Latha Kumari, this analysis will empower our institution to evaluate itself on various parameters around key metrics and find out the key areas for improvement.

SESSION III

The session III of the orientation was initiated by Dr. Saravana Selvan, on “Teaching Pedagogy”, and the essence of the entire exercise was on developing various competencies to have a good student- teacher relationship both inside and outside the classroom. It was emphasised that, even though each teacher has a different pedagogical approach to learning in their classroom, they should consider the most effective means of content delivery based on student needs. The speaker recommended on core teaching competencies as emotional competencies, research competencies, curriculum competencies, management competencies, communication competencies, and other technical competencies.

SESSION IV

Dr.T. Augustine Arul Prasad, who delivered the Session IV, was handling the topic “ICT Enabled teaching”. He is a person who has been effectively and successfully applying ICT tools for quite a long time and provided hands-on –training on various ICT enabled tools for teaching, learning and evaluation. According to him, technology embedded teaching is the need of the hour and helps in effective delivery of course curriculum. Knowledge sharing and information can be successfully imparted in classrooms by way of videos, animations, images and podcasts, for which the speaker introduced various online platforms such as Mentimeter, Renderforest, Moovly, Flipgrid etc. According to the resource person even mobile phones can be used as a tool for ICT learning, where the speaker expounded the usage of a mobile application called “Squid”. Towards the end of the session, the speaker clarified the queries of the audience with respect to Google Classroom and application of rubrics for assessment.

SESSION V

The resource person, Dr.P.Subhashini addressed the audience on the topic “Funding Agencies and Research projects”. According to the speaker, there are ample funding opportunities available primarily for Indian researchers. Although most of the available funding comes from the Government research institutes, it can be utilised for research in both major and minor projects. Dr.Subhashini familiarised the faculties with various research opportunities such as Start-up Research grant, Core research grant, SERB-MATRICES, National post-doctoral fellowship and so on. The speaker stressed on investment of time and effort in research to creating and disseminating knowledge that benefits individual, institution, industry, government and the society.

SESSION VI

The concluding session highlighted on ‘Outcome Based Education’, delivered by Dr.R.Srikanth. Outcome-Based Education model is being adopted initially at Engineering colleges in India and later gained popularity in Arts/ Science colleges as well. This can be considered as a giant leap forward to improve quality of education in our country. Dr. Srikanth identifies Outcome based education as a student-centered approach that focuses on measuring student performance through outcomes. Outcomes include knowledge, skills and attitudes that are expected from a graduate or a post graduate on completion of his/ her programme. The session also threw light on guidelines for constructing the Vision & Mission statement, Programme Educational Objectives, Programme Outcome, Course outcome and at last their mapping and attainment.

Name of the Event: Students Induction Programme (SIP) September 2020

Venue: Virtual mode (YouTube streaming)

Date of the event: 23.09.2020 to 25.09.2020

Organizers: Dwaraka Doss Goverdhan Doss Vaishnav College

Detailed report:

Prarambh 2020, the Student Induction Programme for the first year under graduate students of our institution was held on 23rd to 25th of September through virtual mode. The students were grouped according to their disciplines as Arts, Sciences and Commerce and were provided orientation. The You Tube link for the virtual session was shared with the students in advance to enable them to login on time and have a seamless viewing. The viewership included 250 students on Day 1, 400 students on Day 2 and 1004 students on Day 3.

The programme began with the college prayer seeking the blessings of Lord Krishna, the presiding deity of the college. Our Secretary Shri Ashok Kumar Mundhra, welcomed the fresher's to the DGVC family. In his address, he observed that the campus ample scope for skill development apart from curricular competence. He assured that they would leave the portals of the college as well groomed and socially conscious adults if they make use of the opportunities available to them. Capt. Dr. S. Santhosh Baboo, Principal formally inducted the students, apprised them of the history of the college and motivated them to get themselves educated, enlightened and empowered during their sojourn at DGVC to be able to face the challenges of the world. He emphasised on the importance of hard work and the rewards one would reap if they are diligent, sincere and dedicated in their field. Dr. T. Augustine Arul Prasad, Assistant Professor, Dept. of Chemistry, Co coordinator IQAC, welcomed the students and briefed them on the need and relevance to have an induction and orientation for them. He also spoke on how very important it is to be positive and how perseverance can help one succeed.

The inaugural address was given by Mr. C. K. Kumaravel, Co-founder, Naturals Beauty Salon. He narrated his life experiences to the students on how he had a very simple life, studying in Tamil medium, and rose up to be the Co-founder of the ubiquitous beauty salon Naturals through sheer hard work and continuous learning converting all his down

time(wasteful) to uptime(useful).The special address given by Dr. Inspiring Ilango, MD, Ace Panacea Life Skills , was truly inspiring He enthralled and enthused the audience with his life experiences interspersed with motivational music in the voice of the doyen S.P. Balasubramanian. His Q & A session requires special mention as it gave several useful tips to the students as they embark on this new journey.

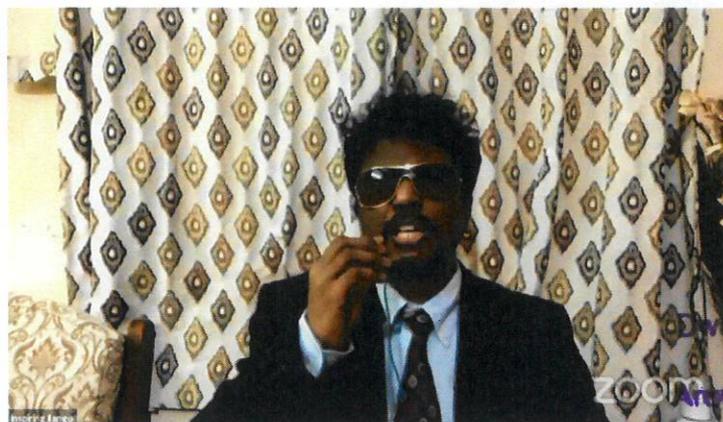

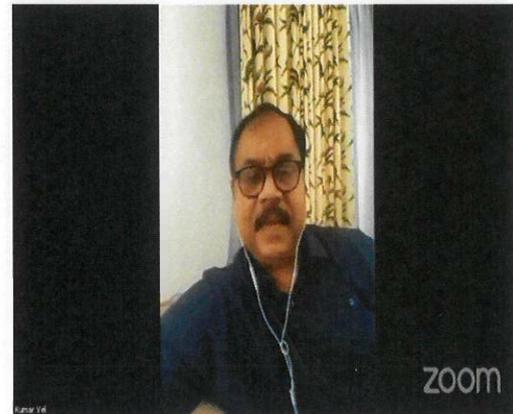

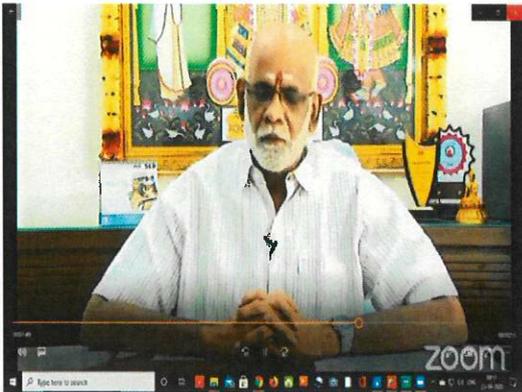

The students were taken through a virtual tour of the college campus with emphasis on the different blocks with their names, Administrative office, Office of the COE, Canteen, Library, Sports complex and Hostel. The origin, growth and present position of the college was brought to the drawing room of the students through ‘DGVC Reminiscences’ – an AV presentation. The extension activities and clubs of the college were familiarised to the freshers through a five minute AV presentation on each of the clubs. The AV also provided the contact details to the students to enable them to enrol. As is customary in Live Programmes, Virtual SIP 2020 ended with the Vote of Thanks proposed by Dr. Akileswari, Assistant Professor, Dept of MSW and the playing of the National anthem.

The first year students attended their respective department orientation in the afternoon session. After a general orientation by the heads of the department, the students were divided into batches of 20 and were allotted a mentor (faculty member). During the mentoring session the students gave a self-introduction which helped them to get acquainted with their peers. The mentors spoke on the importance of physical, emotional and psychological well-being in the present scenario and the need to develop personal, social and moral values. A feedback form was collected from the students at the end of the mentoring session to understand their experiences and their views on Prarambh 2020.

Highlights of the two-day workshop

The IQAC of the College organised a 2-day National Level Virtual Training Workshop on “**ICT Tools for Effective Assessment – Formative & Summative**”. The inaugural session of the workshop began with an invocation hymn to the Almighty. The welcome address was given by IQAC Co Co-ordinator Dr. T. Augustine Arul Prasad, Assistant Professor, Department of Chemistry, followed by the felicitation address by our respectable beloved Principal Dr. S. Santhosh Baboo.

Day 1 (17.09.2020): On Day 1 of the workshop, Dr. B.S. Ponmudi Raj, Advisor – NAAC, Bengaluru shared his expertise about the need for ICT Tools for formative and summative assessment.

Dr. T. Augustine Arul Prasad, Coordinator IQAC and Assistant Professor of Department of Chemistry started his knowledge sharing on Formative and Assessment Tools like Google Forms, Gimkit, Quizizz, Jamboard, mentimeter.com and creating rubrics in google classroom.

Day 2 (18.09.2020): The first session was handled by **Mr. Swaminathan Ganesan, Co-founder & CEO - SMARTAIL**. He highlighted the importance of Artificial Intelligence (AI) and the advantages of using deep learning and machine learning.

The second session was delivered by **Dr T Augustine Arul Prasad, IQAC Co-ordinator and Assistant professor of Chemistry** on creating various assessment tools like Edpuzzle, Kahoot, Nearpod, Flipgrid, creating assignments in Google classroom, Formative and in other LMS platforms. He enriched the audience with hands-on experience on the above mentioned tools.

Outcome:

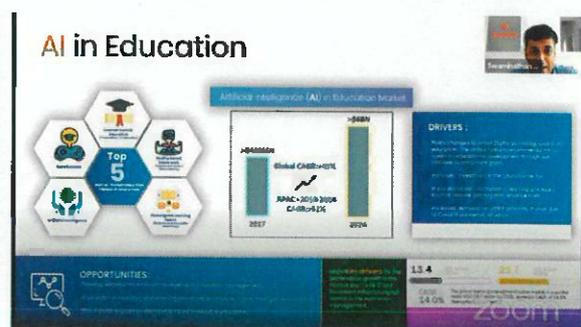

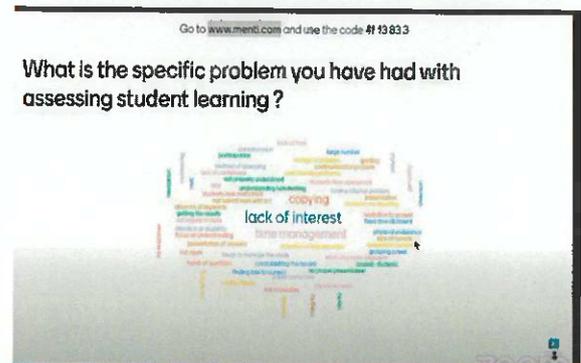

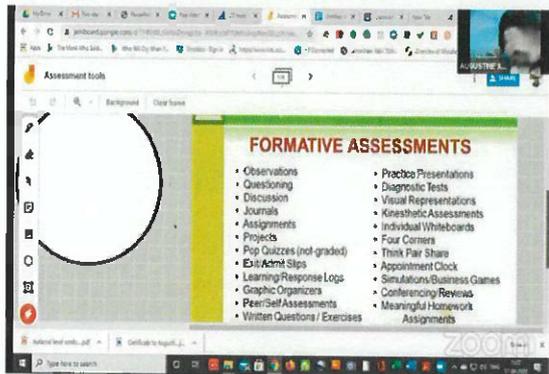

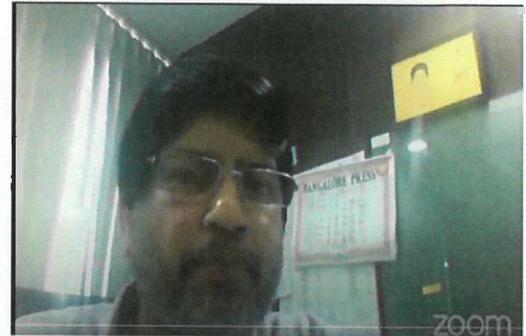

The outcome of the workshop was assessed through feedback forms and also through the output during the hands-on training session. The faculty members were able
